

Overview

FAST FORWARD is an DJ & Music Studies provision who caters for up to 70 students aged 11-18 years who attend on a different ratio of days a week. We cover NCC and Nottinghamshire schools/partnerships. The students exhibit a variety of complex educational, social, emotional and mental health difficulties, which have impeded personal developmental and educational success.

Some of the students have stated diagnoses. Some of our learners have visited a variety of Alternative Provisions or Schools prior to attending FAST FORWARD. They can arrive at FAST FORWARD very disengaged with education and home life

Aims

As an Alternative Provision FAST FORWARD, we aim to:

- Treat learners, staff and visitors with respect;
- Incorporate and promote the values in all we do;
- Ensure a sense of self-worth and value in every learner;
- Encourage learner participation in the planning and the running of our provision
- Encourage, challenge and support every person to achieve his or her potential

1/ Introduction

- 1.1 This document sets out the admission arrangements for FAST FORWARD. NCC and Nottinghamshire Schools are the admission authority for the provision and must approve in advance any changes to the arrangements set out in this document. FAST FORWARD will act in accordance with equalities law.
- 1.2 This policy has been framed with due regard to the admissions, as updated [School admissions code - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/602222/school-admissions-code-2019.pdf) will also pay due regard and follow the advice set out in Annex C (Arrangements for learners with SEN and disabilities)
- 1.3 We will work very closely with Nottingham City Council and Nottinghamshire Councils and with the Fair Access Panel. <https://www.nottinghamshire.gov.uk/education/for-schools/fair-access-and-children>.
.. We have a robust admissions process which referring schools and NCC/Nottinghamshire referrals must follow before a young person starts their education with us. We are an equal opportunities non-discriminatory provision and we therefore welcome applications for admission of young people from diverse backgrounds and with varying needs. Each admission is considered on a case-by-case basis to ensure that the learners we admit are ones which will benefit from the education provision we offer. FAST FORWARD operates a fair, objective and transparent admissions system that includes a complaints procedure – Please see item 5 below.

2/ Admission Arrangements

- 2.1 In accordance with DfE guidelines “Children of compulsory school age can only be admitted to an alternative provision by being referred from Local Authorities, Schools and Academies using their existing referral powers or duties”.
- 2.2 FAST FORWARD therefore, will have different arrangements for admissions from different Education Providers, schools/academies and authorities. The table below sets out the powers and duties, which Local Authorities, Schools and Academies have to refer to alternative provision (DfE 2011).

Circumstances	Commissioner (responsible for referring the pupil and paying the per pupil fee)	Type of Referral
Child is permanently excluded or cannot attend mainstream education e.g., because of illness	Local Authority*	● Full-time, unless there are medical reasons why this would not be appropriate (full-time provision can be made up of part-time provision from two or more providers).

		<ul style="list-style-type: none"> ● Long term or short term – dependent on local authority view on whether reintegration is appropriate, and bearing in mind the child's right to suitable and full-time education. ● Education must start by the sixth day of permanent exclusion but can start earlier.
Child has a fixed period exclusion	Academy** or School	<ul style="list-style-type: none"> ● Full-time. ● Short term – child can only be excluded on a fixed period basis for a maximum of 45 (school) days in an academic year. ● Education must start by the sixth day of a fixed period exclusion but can start earlier
Child's behaviour and attendance needs improvement, for example to prevent permanent exclusion For a more balanced and person-centred approach for their learning in order to support those Missing in Education or under EHCP.	Academy** or school	<ul style="list-style-type: none"> ● Full-time or part-time (but if part-time, child must still receive full-time education, which can be made up of part-time provision from two or more providers, one of which may be their Academy or school). ● Short or midterm – referral cannot last beyond the end of the academic year in which it is made and must be reviewed at least every 30 days by the governing body of the referring school.

*Except in areas where an approach to exclusions is being trialled, under which schools take responsibility for permanently excluded learners. Your Local Authority will be able to confirm if it is taking part in this trial.

**Academies have the power to refer learners to off site provision. This power comes from their general powers to advance education (which comes from the object of the memorandum and articles of the Academy Trust). Though these placements are not covered by the same legislative safeguards that apply to learners referred by maintained schools, best practice would be to establish relationships with your referring academies so that they make applications on the same basis and have regard to the appropriate safeguards (which are set out in brief in the third column).

In keeping with the above guidelines, all admissions to FAST FORWARD are made via a referral process (using the attached referral form – See Appendix 1). However; NCC will have their own referral processes too. Requests to admit students to FAST

FORWARD are restricted to identified commissioners that include, but are not limited to, Nottinghamshire City Council, NCC Schools and Academies.

2.3 The total places available for FAST FORWARD for the year 2023/2024 are up to 70 students per week.

2.4 FAST FORWARD has an agreed total number of 70 student places available per week per course for the remainder of 2024 and onwards and beyond and will accordingly admit that number of learners if sufficient suitable applications are received.

3/ Referral criteria

3.1 Successful applications to FAST FORWARD are most likely where the following conditions are met for a particular student:

- Full time mainstream provision is not deemed appropriate;
- That a personalised education and behaviour program will stabilise and support school/provision circumstances and aid progress and achievement;
- That there is a clear need for the structure, regime, routine and consistency of FAST FORWARD;
- That full background details are made available from the placing authority;
- That the interest of the young person is protected;
- That support available to the young person from other agencies prior to placement continues;
- That the referral is not a direct substitute for provision already identified in a statement of special educational needs. If specific support is mentioned in a statement of SEN, then the school / LEA referring the student to FAST FORWARD needs to continue to fulfil specific tasks or by negotiation and agreement. This may also involve discussion re: funding.

3.2 FAST FORWARD presumes that all students with BESD will be educated full-time in local mainstream schools unless there is strong evidence to the contrary that a place at FAST FORWARD would be beneficial. Where evidence of need may exist, FAST FORWARD expects that this evidence will be gathered as part of a rigorous process of assessment based on the application of relevant and purposeful action over time and in accordance with national guidance. Included within this process should be the consideration of advice from a range of professionals and close family members.

3.3 FAST FORWARD can be utilised for students to 'get back on track' where placements could be offered over one term. These programmes are designed to enable young people at risk of long-term failure and exclusion the opportunity to reflect on their choices, learn how to handle challenging situations more positively, and thereby significantly improve their chances of success in a mainstream setting. Applications for individual support are received from schools using the official FAST FORWARD referral form and must be with the full consent of parents or carers.

For students not on the role of a school, applications are received directly from the Local Authority (LEA) and should be sent to FAST FORWARD accordingly.

All School-based applications should include IEPs, PSPs and BHPs and Risk Assessments or the equivalent, together with review documentation, an incident log and a covering statement. Individual plans should identify the areas that are causing concern, time-related targets and provide a clear programme of action showing how the learner is being supported, when and by whom. FAST FORWARD also have detailed proformas set up to maximise information gathered on each incoming student and his/her needs, together with agreements which need to be signed before admission. Please see the following;

- Appendix 2 - Pupil Pen Picture
- Appendix 3 - Learner details form
- Appendix 4 - Learning and additional support needs form
- Appendix 5 - Induction details form
- Appendix 6 - Pupil Risk Assessment form
- Appendix 7 - Student Charter
 - Appendix 8 -separate word document CARE AND SUPPORT PLAN)

3.4 For students unable to attend school for mental health reasons linked to depression, anxiety or phobia, applications should also include advice from the Education Welfare Service and CAMHS. Other medical advice may also be considered although FAST FORWARD reserves the right to confirm this through CAMHS. All advice should focus on the extent of the learner's condition and their overall capabilities. Having received a referral, FAST FORWARD will acknowledge its receipt and based on the documentation will discuss the intended level of intervention required with the referring school. In cases where a higher level of difficulty leads to consideration for long term off-site support, schools will be asked to set up a planning meeting to explore in greater detail the needs and capabilities of the learner and the nature of the provision required.

3.5 All placements will be reviewed at termly intervals to determine their feasibility. The basis will be both formal and informal depending upon circumstances. The Director will make decisions regarding the appropriateness of placement after consultation with all concerned parties. Our primary concern is not to put the student's progress at risk; it is often the case that where our style of education is supporting that progress, a return to mainstream might be detrimental. In all cases, we work closely with the referring school or provider to ensure that the provision made for the young person is absolutely in his or her best interests, and offers the best opportunity for achieving solid outcomes.

3.6 FAST FORWARD endeavours to offer successful personalised education packages to all students who are admitted. Sometimes, however valid the placement seems, it may become evident that a young person's stay at FAST FORWARD will not work in their best interests. We aim to provide the most suitable education provision to best match the needs of each individual student. We endeavour to tailor each young person's provision to suit their individual requirements. However, if we

are unable to meet their needs, we will review each case on its merits to agree (for the student's best needs) a more appropriate option for all concerned.

4/ Oversubscription Criteria

4.1 Where there are more applications for places at FAST FORWARD than are available, a waiting list will be held and operated by Director. When a place becomes available, and to ensure that vulnerable young people are offered a place as soon as possible, these will be prioritised to students based on the following criteria:

- Children who are either currently or have previously been 'looked after' A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989); KCSiE 2022.

- Children who are homeless;
- Vulnerable children, i.e. Where child protection procedures are on-going;
- Children who have been out of education for two months;
- Children from the Criminal Justice System or PRU;
- Children from a PRU who are seeking to return to mainstream education;
- Children with unsupportive family backgrounds for whom a place has not been sought;
- Children with special educational needs, disabilities or medical conditions (but without a statement);
- Children who are young carers;
- Children of Gypsies, Roma, Travellers, refugees and asylum seekers;

5/ Complaints Process Criteria

5.1 Admissions Appeals arrangements are not statutory regarding AP's. However, at FAST FORWARD we want to be as fair, objective and transparent as we can with all education providers regarding our admissions procedures.

5.2 Commissioners have the right of appeal against the refusal of a place at FAST FORWARD for which they have applied. Commissioners wishing to appeal must contact FAST FORWARD to find out the procedure contained within our Complaints Policy.

5.3 The Commissioner of any child who is refused a place at FAST FORWARD has a right of appeal to the Education Funding Agency. The panel consists of three people who are independent of the provision and the Local Authority. The panel will consider the circumstances of the case put before them. Both FAST FORWARD and the Commissioner must abide by the decision it makes.
